

CHINMAY GOYAL

Junior Year Undergraduate — Computer Science and Engineering — IIT Kanpur
☎ (+91)789-155-5552 ✉ chinmayg@iitk.ac.in 🌐 chinmaygoyal in chinmaygoyal

Education

Year	Degree	Institute	CPI/Percent
2018 - Present	B.Tech., Computer Science and Engineering (Grad. 2022)	Indian Institute of Technology, Kanpur	9.9/10.0
2018	Class XII (CBSE - AISSE)	Rukmani Birla Modern High School, Jaipur	95.2%
2016	Class X (CBSE - AISSE)	Rukmani Birla Modern High School, Jaipur	10.0/10.0

Scholastic Achievements

- Received **Academic Excellence Award** for the years 2018-19 and 2019-20 at IIT Kanpur
- Secured an All India Rank **166**, among 0.23 million candidates in **JEE Advanced** 2018, organized by IIT Kanpur
- Achieved an All India Rank **817**, among 1.2 million candidates in **JEE Main** 2018, conducted by CBSE
- Attained All India Rank **153** and selected for **Kishore Vaigyanik Protsahan Yojana** (KVPY) fellowship in 2016-17
- Secured **National Talent Search Examination, 2016** (NTSE) scholarship and **State Rank 1** (Stage-1)

Internship Experience

SUPERGAMING — Project: **Bull Fight** - An online multiplayer strategy based game [April '20 - Jun '20]

- Objective: Creating new points of interaction and content for the players to increase user retention
- Included new **gameplay elements** and implemented a new **First Time User Experience**(FTUE) through **C#** scripting and **Unity** game engine
- Improved the **core game mechanics** and provided new variables that affect the outcome of a game
- Engineered Deck Making mechanism to allow players to customize their deck as per need

Projects Undertaken

RESEARCH PORTAL — Mentor: Prof. Sandeep Shukla, CSE, IIT Kanpur [May '19 - July '19]

Project under Academics and Career Council

- Spearheaded the creation of an online portal to bridge the gap between students and faculty members
- The portal acts a platform for research related interaction and project collaboration
- Used **Node** for back end, **MongoDB** as database and designed user interface with **HTML5** and **CSS**

POKER AT-7 — Mentor: Prof. Purushottam Kar, CSE, IIT Kanpur [Oct '18 - Nov '18]

Course Project - ESC101

- Created an online single player **POKER** game with vanilla **JavaScript**
- BOT behavior was based on **probability** of different outcomes possible in the current game scenario

C3i LAB, IIT Kanpur — Project: Filtering USB Storage Devices in Linux Based Systems [Dec '19]

- Worked on methods to **allow selective USB Devices** to transfer system data using their unique **Product ID**
- Established **centralized blocking** of devices through configuring rules and updating the rules on all systems

Technical Skills

- Proficient:** C/C++ (Experience in **OOP**) , C#, Javascript, NodeJS, GitHub, Unity, MongoDB, HTML5, SQL
- Exposure:** Python, Bash, $\text{\LaTeX}$, Google Firebase, Django, CSS, Verilog

Relevant Courses

Data Structures and Algorithms	Software Ops. and Development	Computer Organisation
Discrete Mathematics	Logic in Computer Science	Fundamentals of Computing
Linear Algebra and ODEs	Multivariable Calculus(A*)	Analog and Digital Electronics
A*: Exceptional Performance		

Positions of Responsibility

Senator — Students' Gymkhana, IIT Kanpur [Aug '18 - Mar '19]

- A representative **elected by 900 students** to act as their voice in **Students' Senate**.

Secretary — Programming Club, IIT Kanpur [Apr '19 - Apr '20]
